Professional Summary

Digital marketing professional with 7+ years of experience in content creation, video production, and social media growth. I've worked with startups, international clients, and personal brands across different industries, helping them create engaging content and strengthen their online presence. My background combines marketing strategy, content planning, video editing, and AI-assisted content production. Produced and edited 500+ videos for educational, commercial, promotional, and social media projects.

Core Skills

Digital Marketing, Content Marketing, Social Media Marketing, Content Strategy, Video Editing, Campaign Management, Influencer Marketing, Lead Generation, Brand Growth, Copywriting, CRM, AI Content Creation
